Extreme Summer JUMPSTART

Extreme Summer JUMPSTART welcomes all first-year students to a 5-day college prep adventure. Students will get a head start for college before classes even begin. This August program offers students the opportunity to experience academic success as they explore IU East. Students will learn what to expect in college, brush up on academic skills, gain self-confidence, and discover what services are available on campus.

Extreme JUMPSTART students will:
• prepare for college courses.
• meet other students and make friends early.
• make connections with IU East faculty, staff, tutors, and current students.
• experience college classes such as biology, art, and music.
• have FUN!
