CELEBRATE OLDER AMERICANS MONTH AT THE SENIOR EXPO

May is Older Americans Month and Area 9 In-Home and Community Services, a service of Indiana University East, is celebrating the month with the return of the Senior Expo.

Area 9 Agency has joined forces with the Leland Residence and Whitewater Broadcasting to bring to the community what continues to be one of the biggest events geared specifically to the needs and interests of seniors in our area. This year's event will be held May 20th at the Leland Residence from 9:00am to 1:00pm, and will host dozens of booths that will be for the education and financial benefit of our retired citizens. The proceeds from this event will go to benefit elderly citizens who are assisted by Area 9 Agency senior programs.

We expect hundreds of citizens to attend based on participation in past years. There is no cost for admission and this year we will feature coffee and pastries in the morning and a free box-lunch for our guests. Join us for special lunch presentations on 10 health issues seniors should know, disaster preparation, and fraud.

There will be many prizes given away throughout the day as well as a brand new television to be given away at 1:00pm. All you need to do to qualify for this prize is to visit each booth, have your card stamped and turn it in for the grand prize drawing. You need not be present to win the new TV donated by The Leland Residence.

If you have any questions or would like more information, please contact Kathy Bridgford at Area 9 Agency, 966-1795, Kathy Springer at WKBV, 962-6533, or Judy Sherrow at the Leland, 939-6500.
