8:35am to 10:11am

Members present:
Tim Emery, Bob McKinley, Mary Ellenberger, Ryan Lacey, Kraig Rose, Clayton Haisley, Beth Crose, Mary Alvey, Britany Swallow

Topics:

- **Funding Proposals**
  - Foam Dart Society
    - Requesting money for equipment for the Humans vs. Zombies
    - Asking for $1000
    - Will be hosting after party
      - Part of cost will go to DJ
      - Centralized dart collection stored in Campus Life
      - A lot of advertisement: facebook, videos, flyers all over campus
      - The event will last for two weeks (Monday through Thursday)
    - Full amount not granted.
      - Reasons for not granting full amount ($800):
        - Rulebooks would just be wasted and end up littered in the Graf.
        - The club might be able to find some cheaper bandanas.
  - History and Political Science Club
    - Requesting money for a speaker to come talk about comic books and the significance of characters.
    - Money will cover speaking fee and estimated travel fee.
    - More advertisement will go into this.
      - This has previously happened on campus (last spring).
    - Full amount granted.
      - Stipulations:
        - More advertisement for the event.

- **Issues – Dan**
  - Library
    - There are a lot of concerns about the remodeling of the furniture in the library.
      - Used to be a quiet corner of the library
      - Not practical for students use
      - Nursing books and programs and political science books used to be stored there.
      - Two computers with nursing programs on it
The “new” room is much smaller and under lock in key. There is also a
time limit (two hours). There are 250 nursing students that need
access to those programs. The space really does need to be bigger.

Dan
- This is an issue he will look into and will be back to present a
  resolution.
- Students from nursing program and political science program will
  be getting more information to Dan. And it will be present before
  the SGA next meeting (Feb. 28)

- Quad Flooding
  - Tours for students’ ambassadors are hard when it is flooded. The scenic
    route has to be used.
  - Brick deterioration
  - Storm inlets are around there.
  - SGA proposes another drain be put in or something that will help guide
    the water to a drain.

- Motorcycle Parking
  - SGA proposes that the motorcycle parking signs be taken down during the
    winter months. Or maybe a barrier could be created that only motorcycles
    can park around.
    - This issue started with students complaining about getting tickets for
      parking in motorcycle parking but no tickets are issued to motorcycles
      parked in car spots.
  - Dan likes the idea of taking the signs down during the winter months.
    - He will be talking to physical plant people to see what can get done.

- Springwood Sign
  - Students are complaining because it causes vision impairment.
  - SGA proposes that the sign be moved or lowered to be seen above.
  - Dan doesn’t see this being too hard to fix.

- Advisor Report
  - What’s Your Issue Table
    - Poster market committee cannot be used due to trademark restrictions.
    - Set up is the responsibility of the first person on schedule. Tear down is
      the responsibility of the last person scheduled for the day.
    - A mistake was made and on the form there is mention of a raffle.
      - There is a package deal.
      - Use the tickets left over from the canned food drive.

- Resume Writing
  - Pick a day and time
    - Next Tuesday (Feb. 21) at 9am
  - 5 students interested

- Tynan Fox

During faculty senate, an issue came up: e-texts (really confusing)
  ▪ They are working on making peoplesoft more usable for students.
  ▪ Right now, it is the professor’s choice of the students using e-text.
  ▪ In the future, it will be not optional.
    ▪ Following Bloomington’s example.
  - Devon Niehoff, President

Rebeckah spoke for Devon: This Thursday (Feb. 16th) is the last home basketball game. It is also senior night. Dave Sanders and Devon Niehoff are both seniors in SGA and on the basketball team. The first 50 students receive free Rufus bauble heads.
