

**Indiana University East  
Faculty Senate 2008/09  
Athletics Committee**

**Resolution to Join the National Association of Intercollegiate Athletics**

Whereas Indiana University East athletics support the campus mission of providing opportunities for “students to grow intellectually and socially in a personalized, supportive and scholarly learning environment focused on student success.”

Whereas Indiana University East athletics support the continued growth of the institution by recruiting and retaining students and providing them with a quality collegiate athletic experience that allow them to obtain learning skills that enhance their academic experience.

Whereas Indiana University East athletics is committed to the development of expanded student opportunities that further elevates our status as a regional baccalaureate and graduate degree granting institution.

Therefore, be it resolved Indiana University East will become a permanent member of the National Association of Intercollegiate Athletics (NAIA).
