

Institutional Program Requirement for Degree Programs at IU East

In order to assist students in meeting the seven campus learning objectives adopted by the campus, IU East has established minimum standards and program requirements for all degrees awarded at IU East. This course should prepare students for writing research papers and include at least one method of widely-accepted documentation and instruct students in library research skills. For a Baccalaureate Degree, all students must complete a culminating writing experience in their major.
3. A minimum cumulative GPA of 2.0 (C) is required for all courses taken toward a degree.

7. Courses that are used to meet General Education Core requirements may not be applied to meet requirements of the field of concentration. Courses specifically required for the degree may not be used to satisfy distributional requirements.
8. Requests to deviate from any of the above requirements must be approved by the student's advisor, the appropriate department or division faculty, and the Vice Chancellor of Academic Affairs. Written documentation of the final decision will be placed in the student's advising file. Forms for filing such requests are available in the registrar's office. Appeals of waiver decisions will be acted upon by the Admissions and Academic Affairs Committee whose decision will be final.
