Under the provisions of the Indiana-Kentucky Reciprocity Agreement, Ivy Tech Community College of Indiana Region 11 students who reside in the eligible Kentucky counties of Boone, Carroll, Gallatin, and Trimble are eligible for reciprocity benefits effective July 1, 2005 (Fall 2005 semester and beyond). Reciprocity benefits refer to the assessment of tuition at the resident (Indiana) rate for new and returning students. In addition to residing in the counties listed above, students must meet the following institutional and program eligibility stipulations:

- Students must have earned “a minimum of 60 transferable college-level credit hours” prior to transferring to Indiana University East. For example:
  
  - If a student has MORE THAN 60 hours (i.e. 80 hours), 60 of those must be “transferable college-level credit hours.”
  - If a student has ONLY 60 hours and, of those, only 45 are “transferable college-level credit hours,” that student does not qualify.
  - If a student has LESS THAN 60 “transferable college-level credit hours,” that student does not qualify.

- In order to qualify, students must be admitted to the B.S. Business Administration (2+2 Degree Completion) Program at Indiana University East.

To remain eligible for reciprocity benefits, students must remain in the B.S. Business Administration (2+2 Degree Completion) Program at Indiana University East. If students elect to change their major (i.e., their academic program), or transfer to another Indiana University campus, eligibility is terminated. Periodic edits will be run to ensure that students are maintaining their program and institutional eligibility for continuation of reciprocity benefits.

The initial determination of reciprocity eligibility will be made by the Office of Admissions and Financial Aid. Students may appeal the eligibility determination through the Office of the Registrar. Students who are not satisfied with the determination made by the Office of the Registrar may lodge a written appeal with the Indiana University Standing Committee on Residence. This appeal must be filed within 30 days of receipt of written notice of the Registrar’s determination.
