---

|                              | <u>Course Title</u> | <u>Sem/Yr. Taken</u> | <u>Grade</u> | <u>Credits</u> |
|------------------------------|---------------------|----------------------|--------------|----------------|
| Elective Philosophy          | _____               | _____                | _____        | 3              |
| Courses (200 level or above) | _____               | _____                | _____        | 3              |
| Total Credits                |                     |                      |              | 15             |

**Additional Requirements for a Minor in Philosophy:**

1. All courses must be completed with a grade of C (2.0) or better.
2. Students will maintain a file of all written work and will submit a portfolio of their strongest evidence from this file, including at least one exam and one paper from each class in which such work was assigned. This portfolio will demonstrate your progress in meeting the learning objectives of the minor. **The learning objectives are:**
  - a. demonstrated competence in critical thinking;
  - b. a demonstrated grasp of some of the key issues in ethics and of the essential elements of moral reasoning;
  - c. awareness and appreciation of the possible perspectives on issues fundamental concern for human beings;
  - d. Familiarity with a number of different areas of study within philosophy, and an understanding of how they relate to one another to form a single discipline.

Advisor's signature below indicates that the above student has successfully completed a Minor in Philosophy.
