

Compass Test Taking Tips and Computer Tips

- The Compass test is an untimed test that is used to make sure that you get off to a good start in your freshmen year. Typically, most, but not all students take the mathematics portion of the Compass test.
- Read the instructions slowly and be sure you understand them. If you have questions, make sure to ask the Testing Coordinator or the test proctor.
- You are not penalized for guessing on the Compass test, so educated guesses are worthwhile.
- You will receive your compass results immediately upon completion of testing.
- Your test Coordinator or proctor will always be present to answer questions about the computer. The most frequent used keys are A, B, C, D, E, F, H, S, and SPACEBAR.
- Relax and don't hesitate to ask if you have a question or problem. We are here to make your testing experience positive.
