Print out as many of these as you like (be mindful of your print allowance, if you print on campus!) and distribute to others.

Please use your first and last name, and your IU email address. Your email address is the most important part.

In the interest of keeping trash minimized, please do not carpet bomb campus with these flyers. Campus Life does not permit them to be put up on bulletin boards, either (nominees that make it to the next round will be allowed somewhat more freedom in promotion, however)
