Year 2 Total Hours 27

Notes
1. Students transferring into the program from Ivy Tech with a TSAP Associate of Science in Nursing degree will follow this pathway to finish their baccalaureate degree.
2. The RN to BSN option requires a separate admission application; admission to the college does not guarantee admission to the program.
3. Students must complete all courses with a grade of C or higher.
4. Students must complete all IU East graduation requirements.
5. IU East General Education requirements may have been completed at Ivy Tech depending on which electives the student completed. If these requirements have not been met as part of TSAP, the student will be required to take General Education elective courses at IU East. See your advisor for further assistance with general education planning specific to your situation.
