

Call for Entries, Indiana University East

2019 Invitation to Sculptors

Indiana University East (IUE) invites you to participate in our 2019-2021 juried, on-loan, outdoor sculpture exhibit on the Richmond, Indiana campus. IUE is a regional campus of Indiana University with a vibrant arts program and extensive art collection. Selected artists must be willing to enter into an Art Loan Agreement with IUE and will be awarded an honorarium of \$2,500 per piece.

Deadline for Submissions: July 7, 2019

Jury will make selections and inform artists by: July 12, 2019

Delivery: Selected sculptures must be delivered to IUE between August 19, 2019-August 23, 2019

Exhibition Schedule: August 26, 2019-July 30, 2021

Sculptures to be removed: within one month of the exhibit's closing on July 30, 2021

Eligibility: Artists must own the rights to the artwork, which must be available for the duration of the two-year exhibition period. Artwork must be ready to set on our 8'x8' concrete pads. The installation method for each sculpture should be welded steel tabs or similar easy-install method.

The exhibit is outdoors and open to the public, because of this, certain requirements must be met in order for a sculpture to be considered for display. Fragile or dangerous works will not be accepted. Artwork must be available for the duration of the two-year contract, and must be constructed of durable materials that will withstand year-round Indiana weather.

Transportation: Selected artists are responsible for transportation of the artwork to and from the installation site. The artwork must be delivered as exhibition-ready. The university will supervise installation of the work, and will insure the artwork for the duration of the exhibit.

Submission Details: Artists may submit up to two sculptures for consideration, but each submission will be considered separately. Each submission must include the following:

- A bio/resume describing your experience and exhibition history
- Short artists statement about the submitted pieces
- 3 images (front, back, and 1 detail)
- dimensions for each submission and stated insurance value for each artwork
- each sculpture entry must be submitted individually
